*Services are subject to Address limits and funding availability.
Most services are provided per 12 month period from point of use.*

Originals of the following items are required to determine if an Address qualifies to receive services:

1) Address:

Documentation of current physical Boone County Address

Examples include: a recent piece of mail received in the last 30 days for someone living at the Address, Agency Letter verifying Address, lease accepted **only** if at Address less than 30 days

2) Identification:

One form of official ID for everyone at the Address

Examples include: photo ID, Social Security card, birth certificate, passport, health insurance card, proof of birth for newborns, Household Member Printout from Family Support Division

3) Income:

Documentation of all income for everyone at the Address

Information includes: employment income, Social Security income, unemployment, food stamps, TANF, child support

Client must be a current Boone County resident and gross income for everyone at the Address must be at or below 200% of the Federal Poverty Income Guidelines.

Once an Address qualifies to receive services, an eligible client only needs to bring in an ID to receive services until the beginning of the next calendar year. If information for an Address has changed, VAC must see updated information.
